AmeriHealth Caritas Delaware

To: AmeriHealth Caritas Delaware Providers
Date: October 14, 2026
Subject: **Chronic and Transitional Care Management Reimbursement Policy.**

AmeriHealth Caritas Delaware is notifying providers of reimbursement guidelines for **Chronic Care Management (CCM) and Transitional Care Management (TCM) services, effective December 1, 2027.**

The policy outlines billing and reimbursement requirements for care management services designed to support patients with chronic conditions and individuals between healthcare settings.

What Providers Need to Know

Chronic Care Management (CCM): Services that support patients with multiple chronic conditions through coordinated care planning, ongoing monitoring and communication among healthcare providers.

Transitional Care Management (TCM): Services that support patients transitioning from an inpatient or certain other healthcare settings to a community setting, including timely follow up and coordination of care.

Provider Action Required

Providers are encouraged to review the Chronic and Transitional Care Management Reimbursement Policy and ensure that their billing practices align with the applicable guidelines before the December 1, 2027, effective date.

For additional information, please refer to the reimbursement policy available on the AmeriHealth Caritas Delaware provider website.
