To: AmeriHealth Caritas Delaware Providers
Date: October 26, 2026
Subject: **Split or Shared Services Policy Update.**

AmeriHealth Caritas Delaware is notifying providers of an update to the Split or Shared Services policy, which outlines billing and reimbursement guidelines for evaluation and management (E/M) services performed jointly by a physician and a nonphysician practitioner **effective December 2, 2026**.

The policy providers guidance on documentation requirements, billing procedures, and the criteria used to determine which practitioner may bill for split or shared services.

What Providers Need to Know
Providers should review the policy to ensure compliance with applicable billing and documentation requirements. The policy addresses:

- Requirements for reporting split or shared E/M services.
- Documentation on the substantive portion of the visit.
- Appropriate billing and reimbursement procedures.
- Applicable coding guidelines.

Provider Action Required
Providers are encouraged to review the policy and make any necessary updates to their billing and documentation practices before the effective date.

For additional information, please refer to the reimbursement policy available on the AmeriHealth Caritas Delaware provider website.

Thank you for your continued commitment to providing care to our members.
