Provider Cultural Competency Training

Summary: We invite you to join us for our 2026 Provider Cultural Competency Training

Enhance your skills and knowledge to better serve our diverse community with culturally competent care. After this training, you will be able to:

- Define health equity, cultural responsiveness, and cultural humility.
- Assess how culture, cultural identity, and intersectionality influence individual health practices and behaviors.
- Identify strategies and best practices to respond to patients' cultural practices and identities.

Please follow the link below or scan the QR code to register for our Provider Cultural Competency Training. This training will only be offered virtually.

DATE: December 2nd, 2026
TIME: 12:00 p.m. – 1:00 p.m.
